

Oneness Awakening Workshop

January 11-13, 2019

Become a Oneness Blessing Giver and experience the joy of sharing this amazing phenomenon with your family and friends. The Oneness Awakening Workshop is a 1 ½ day process that promotes growth and success in all areas of your life. Phil Dugas, Oneness University Trainer and Yvonne Cole, Certified Aromatherapist and Reiki Master will present the course with sacred devotion.

The Oneness Awakening Workshop is a powerful experience held by Oneness Trainers around the world to help participants learn about the nature of the mind and how it creates conflict internally and externally in our lives. This awareness can liberate one from the conditioned responses that contribute to living a life of mere existence to one you love living. Some of the many benefits of taking this course are:

- Deeper sense of peace and calm amid change
- Release of old wounds and associated energies
- Removal of old blocks and barriers
- Greater awareness of self
- Feelings of causeless joy and happiness
- Resolution of health issues on the physical & emotional levels
- Greater intimacy and harmony in relationships
- Sense of 'coming home'

We will be hosted by the internationally recognized Mountain Quest Inn. The Inn is a peaceful, family-owned bed & breakfast located in the pristine West Virginia Allegheny Mountains. Read more about the Inn here: <https://www.mountainquestinn.com>.
